A Family's Guide to Title I

What is Title I?

Title I is the largest federally funded program for elementary, middle, and high schools. Title I helps students, teachers, and parents. Through Title I, school districts receive money based on the number of low-income families in each district. Each district uses its Title I money for extra educational services for children most in need of educational help. The focus of the Title I program is on helping the students meet the same high standards expected of all children. The Every Student Succeeds Act (ESSA) serves as the latest reauthorization of the Elementary and Secondary Education Act of 1965 (ESEA) which focuses on the clear goal of fully preparing all students for success in college and careers and the right of parents to be involved in the education of their children.

What are your rights as a parent?

Under the Every Student Succeeds Act (ESSA), you may request information about the professional qualifications of your child's teacher(s) and/or paraprofessional(s). The following information may be requested:

- Whether your child's teacher—
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning the qualifications of your child's teacher and/or paraprofessional, please contact the school principal.

What is My Role in Supporting My Child's Success?

Parents are an important part of the Title I team and are partners with the school in helping their students achieve. **As the parent of a child in a Title I school, you have the right to:**

Be **engaged** in the planning and implementation of the parent and family engagement plan and program in your school

Ask to read the progress reports on your child and school

Request information about the professional qualifications of your child's teacher(s) and/or paraprofessionals including the degrees and certifications held, and whether the teacher is certified in their respective area of instruction

Help to **decide** if Title I is meeting your child's needs, and offer suggestions for improvement

Ask about your child's school designation under the Every Student Succeeds Act (ESSA), Title I, Part A

Know if your child has been assigned or has been taught for 4 or more consecutive weeks by a teacher who does not meet applicable State certification, licensure requirements, or district requirements for certification

Help **develop** your school's plan for how parents and schools can work together.

What is the School District's Role in Supporting My Child's Success?

Local educational agencies (LEAs) are defined as school districts, county offices of education, and direct-funded charter schools that **are responsible for the following actions:**

Plan and implement educational programs, activities, and procedures as required under Title I that engage parents

Reserve 1% of Title I funds for parent and family engagement activities if the LEA receives more than \$500,000

Develop a parent and family engagement plan with the participation of parents

Provide full opportunities for participation of parents with limited English proficiency, disabilities, and parents of migratory children, and when appropriate, in a language and format that they can understand

Conduct an annual evaluation of the parent and family engagement plan and implement changes based upon the findings of the evaluation

Build parent capacity by providing literacy and technology trainings that will help parents work with their children to improve academic achievement

Build capacity of school staff by providing resources that will assist staff in communicating with parents and working in partnership for students' academic success.

What is the School's Role in Supporting My Child's Success?

Some Title I schools are schoolwide programs. This means that school staff work to improve the school's educational program in an effort to increase the achievement of all students, particularly those who are low achieving and thus could benefit from extra supports or services. Other schools may have a targeted assistance program, which means that only certain students and their parents can benefit from the additional services Title I provides. **Title I schools are responsible for the following actions:**

Involve parents in the planning, review, and improvement of Title I programs, including the school parent and family engagement plan

Develop jointly, with the parents of participating students, a school-parent compact focused on academic achievement

Inform parents in an understandable language and format

Offer parent meetings at various times or in various formats (schools may also pay for transportation and child care, when reasonable and necessary)

Provide information to parents about the state standards, curriculum, and assessments and how parents can monitor their child's progress

Build parent capacity by coordinating and integrating parent programs and activities with other federal, state, and local programs.

For more information regarding Title I, contact the Office of District Effectiveness and Federal Programs at 478.765.8582.

Parent and Family Engagement Plan

2023-2024

Revised: May 2, 2023

Keith Groeper, Principal

Dr. Eric Thompson, Assistant Principal

What is Title I?

Rutland Middle is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan and schoolwide plan to strengthen student achievement.

District Goals

Strategic Goal 1: Student Achievement

All students will continually demonstrate high academic and social-emotional growth preparing them for life, college, and careers.

Strategic Goal 2: Staff Effectiveness

All employees will excel daily in the performance of their roles to ensure district thrives.

Strategic Goal 3: Stakeholder Engagement

We will build collective ownership and active engagement among all stakeholders to maximize students' overall learning experiences.

School Goals

- ◆ RMS will increase the percentage of students with a Stare Lexile at/above the National Star Level by 9% in 2023-2024. Students will participate in Accelerated Reader during Personalized Learning time.
- ◆ RMS will show a 12% increase of students scoring Early On-Grade or Mid-Grade and Above on iReady from the Fall '23 diagnostic to the Spring '24 diagnostic as measured by the BAM (Bibb Accountability Measure) indicator.

School-Parent Compact

Our School-Parent Compact is developed through a collaboration with teachers, parents, and students that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The Compact is reviewed and updated annually based on feedback from teachers, parents, and students during the Title I Family and Community Engagement (FACE) Forum. The School-Parent Compact is also shared during parent-teacher conferences, and it is kept on file with each child's teacher if parents request another copy.

What is this plan?

This Plan explains how Rutland Middle School will provide opportunities to improve family engagement to support student learning. Rutland Middle values the contributions and engagement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This Plan describes the different ways Rutland Middle will support family engagement and provides information on how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Parents are invited to attend the annual Title I Family and Community Engagement (FACE) Forum to review and revise this Plan, including the Schoolwide Plan, School-Parent Compact, and the family engagement budget. Meetings are scheduled at convenient times for parents. Additionally, parents input and comments regarding this Plan are welcome during the school year. Feedback received will be used to revise the Plan for the next school year. We also distribute an annual survey to ask families for their suggestions on the Plan and use of funds for family engagement.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this Plan. Rutland Middle will provide full opportunity for the participation of parents and family members with limited English proficiency, with disabilities, and parents of migratory children.

Where is it available?

The plan will be available on the school website, in the front office of the school, and in the media center. The plan is also included in the Parent and Family Engagement Guidebook that is given to each child.

Family Engagement

Rutland Middle School will take the following measures to promote and support parents and family members as an important foundation of the school to strengthen the school and reach our school goals. We will-

- ◆ Ensure that all information related to school and family programs, meetings, and other activities is timely and published in the family's native language, as needed. We will provide parents and family members with a schedule of engagement opportunities and events and prepare meetings and workshop materials in a family friendly format. In addition, interpreter services are available upon request.
- ◆ Communicate with families and the community on a regular basis about school meetings and events. At RMS, we communicate with parents through the School Messenger automated system, e-mail, PTO, flyers, meetings, and phone calls.
- ◆ Provide, in collaboration with parents, training for staff to work with families, as equal partners, on improving communication and increasing family engagement through effective strategies shared at collaborative meetings, regular staff meetings, tip sheets, and other resources.
- ◆ Partner with the community, sponsors, businesses, churches, and other programs to coordinate and integrate family engagement activities to support the full participation of parents in their child's education. We host transitional workshops for our families to support and prepare for students as they transition from one educational setting to the next. Planned activities are scheduled for incoming 6th grade students entering middle school and outgoing 8th grade students entering high school.
- ◆ Provide necessary materials and training for parents to work with their children to improve their children's achievement. Provide parents with curriculum updates and changes on the State standards and assessments. Additionally, resources are shared with parents on test-taking strategies and study skills.
- ◆ Listen and respond to parents' requests for additional support for family engagement activities by providing parent surveys throughout the school year to gain feedback, suggestions and concerns. Parent and family members are always welcome to provide feedback.
- ◆ Submit parent feedback about any part of this Plan and the Schoolwide Plan that parents feel is not satisfactory to the goals for student and school academic achievement to the local Title I office.
- ◆ The school administration, counselors, family engagement representative, community sponsors, and office staff will encourage student achievement by actively engaging in the education of our students.

All volunteers are welcome at Rutland Middle School. Volunteer application packets are located in the Family Engagement Representative Office. For more information, please contact Title I Family Engagement Facilitator at 478-779-4400.

WHAT IS FAMILY ENGAGEMENT?

Family Engagement means the participation of parents and family members in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- ♦ That parents play an integral role in assisting their child's learning.
- ♦ That parents are encouraged to be actively involved in their child's education.
- ♦ That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- ♦ The carrying out of other activities, such as those described in Section 1116 of Every Student Succeeds Act (ESSA)

"Education is not preparation for life; Education is life itself."

John Dewey

ABOUT THE PARENT AND FAMILY ENGAGEMENT PLAN

In support of strengthening student academic achievement, the Bibb County School District (BCSD) developed this parent and family engagement plan that establishes the district's expectations and objectives for meaningful family engagement. It describes BCSD's commitment to engage families in the education of their children and builds the capacity of its Title I Schools to succeed in reaching the district and student academic achievement goals.

When schools, families, and communities work together to support learning, children tend to do better in school, stay in school longer and enjoy school more.

Title I, Part A provides for substantive family engagement at every level of the program, such as in the development and implementation of the district and school plan, and in carrying out the district and school improvement provisions. Section 1116 of Every Student Succeeds Act (ESSA) contains the primary Title I, Part A requirements for schools and school systems to involve parents and family members in their children's education. Consistent with Section 1116, the BCSD will work with its Title I schools to ensure that the required school-level parent and family engagement plans meet the requirements of Section 1116(b) and each include, as a component, a school-parent compact consistent with Section 1116(d) of the ESSA.

Each student will graduate **empowered** to make a well-informed decision about their next step. They will learn about themselves as they **engage** in rigorous content and gain **exposure** through personalized learning **experiences**, thereby **enlightening** them to choose their most meaningful pathway.

MEANINGFULLY EMPLOYED

JOINTLY DEVELOPED

During the annual State of the District Forums in the spring all parents are invited to participate and provide suggestions and ideas to improve the district parent and family engagement plan for the 2023-2024 school year. The district uses social media, district and school websites, automated calling system (in English and Spanish) emails, and flyers to inform parents about the meetings. During the meetings, parents also review and discuss the Comprehensive LEA Improvement Plan (CLIP). At the school Family and Community Engagement (FACE) Forums, parents are invited to review and provide input on developing the district and school improvement plans. Upon final revision, the district parent and family engagement

plan is incorporated into the CLIP, which is submitted to the state. Parents are welcome to submit comments and feedback regarding the plan at any time on the district website or by submitting written comments to their child's school. All feedback received by February 28, 2023 is included with the plan for the 2023-2024 school year.

The district and school parent and family engagement plan are posted on the district and school websites and distributed during the annual Title I school meetings held prior to September 8, 2023. The plans are included in the Title I Parent and Family Engagement Guidebook that is sent home with students at the beginning of the school year and made available in the school parent resource area.

RESERVATION OF FUNDS

The BCSD reserves one percent from the total amount of Title I funds it receives to carry out the parent and family engagement requirements consistent with this plan and as described in Section 1116 of the ESSA. Furthermore, the BCSD distributes 90 percent of the one percent reserved to Title I schools to support their local-level family engagement programs and activities. The district provides clear guidance and communication to assist each Title I school in developing an adequate family engagement budget that addresses their needs assessment and parent recommendations.

At the State of the District and school FACE Forums in the spring, parents provide input on how the one percent required family engagement funds are used in the upcoming year at the district and school-level. Each Title I school will survey parents in November for suggestions. Survey results and stakeholder input from the forums are reviewed by the district to determine areas of need for the upcoming school year and consider changes to the family engagement budget.

STRENGTHENING OUR SCHOOLS

The district utilizes the PTA's National Standards for Family-School Partnership, adopted by the State Board of Education in 2010, to support family and community engagement.

The six standards are welcoming all families, communicating effectively, supporting student success, speaking up for every child, sharing power, and collaborating with the community

The district Family Engagement Coordinator (FEC), and Family Engagement Specialists (FES) will provide technical assistance and coordinate district family engagement activities with the school Family Engagement Facilitator (FEF) or school representative to ensure the six standards are being satisfied and that processes and activities are implemented and evaluated. In addition to school visits and webinars, the family engagement team will hold frequent meetings/trainings with principals and FEFs to review family engagement plans; learn and discuss strategies to increase family and community engagement; and develop effective forms of two-way communication. Additionally, the district convenes a District/Administrators meeting in July for principals to review family engagement requirements, timelines and guidance on Title I, Part A. The district collaborates with Head Start and United Way of Central Georgia to engage parents and family members effectively in education.

OPPORTUNITIES FOR MEANINGFUL PARENT INPUT

Input and suggestions from parents and family members are an essential component of the district and school improvement plans that are developed each year. All parents of students eligible to receive Title I services are invited to attend two meeting opportunities described in this section to share their ideas and suggestions on decisions to help the district, schools, and students reach our student academic achievement goals.

State of the District Forums

Thursday, February 8, 2024

All parents are welcome to hear the latest updates from the Bibb County School District as well as review and provide input into the district parent and family engagement plan and the Comprehensive LEA Improvement Plan for the 2024-2025 school year. Notices regarding the forums are made available to all parents in advance of the meetings. The district also communicates information regarding these input meetings on the school and district websites.

Family and Community Engagement (FACE) Forums

February 1 – March 8, 2024

Each Title I school will host a forum for parents and family members to participate in discussions to review the schoolwide plan, school parent and family engagement plan, school-parent compact as well as provide input on the family engagement budget and building staff capacity. Each Title I school will send information home and post details on social media notifying parents and family members about the date and time of the forum. Information regarding the FACE Forums will also be made available on each Title I school website.

Parent input on decisions regarding use of Title I funds to support family engagement programs may also be submitted through the annual parent survey. The survey will contain questions related to the family engagement budget as well as a section for parents to provide their comments.

Unable to attend the meetings?

Contact the Family Engagement Program at 478-779-2579 to review the meeting documents and leave your input.

BUILDING CAPACITY OF FAMILIES AND STAFF

The BCSD will build school and parent capacity for strong family engagement to ensure effective involvement of family members and the community, as equal partners, to improve student academic achievement through districtwide activities and programs.

FAMILIES

Supporting Students Success. The district will work to Support Student Success by providing assistance to parents and family members in understanding academic information connected to their children's learning along with information regarding the Title I program. As part of the district Builder Series, Built4Bibb (B4B), parent sessions are held in each of the six school zones. These sessions help bridge the gap between the school and community to give families direct access to resources and information that support their understanding of Georgia standards, curriculum, state and local assessments, district and school achievement goals, the social-emotional well-being of students and families, school safety and other community resources. Additional materials will be available in each school parent resource area for those families who may have limited internet access, including resources in Spanish, where possible.

Communicating Effectively. Each Title I school will host monthly workshops and have a parent page on its website that contains grade level resources, including study guides and practice assessments to help parents work with their children at home. The district family engagement team will support Title I schools in assisting parents with how to monitor their child's progress using Parent Portal, the online student information system. Parents will receive information about other digital educational resources (including education about the harms of copyright piracy). Dates and times for workshops will be determined and announced through various district and school communication methods.

Speaking Up for Every Child. To empower parents and community leaders to become advocates for their own and other children, the BCSD has a districtwide Superintendent Parent Advisory Council. Parents, community leaders, and business partners are invited to serve on each respective council to share ideas on all matters related to school policies, procedures, and family and community engagement. In addition, each school has an active school council.

Sharing Power. The district and schools are committed to encouraging opportunities for parents and family members to serve as parent leaders by organizing events, volunteering at school, participating in PTA/PTO, and networking with each other and with the community.

Collaborating With the Community. BCSD will develop resources to expand learning, community service, and civic participation that enhance the school environment.

Welcoming All Families. To ensure a smooth transition from one school environment to another for parents of rising kindergarten, 6th, and 9th grade students, BCSD will host Smooth Move events so parents may tour schools and receive information to help them prepare for a new setting. The school will provide opportunities for students and parents to help make decisions about 4ME learning outcomes and choose a meaningful pathway for the future. BCSD will coordinate with other federal and state funded preschool programs to plan and integrate family engagement activities and resources.

STAFF

The BCSD will conduct quarterly training for principals and FEFs to learn and discuss strategies to strengthen family engagement and build ties with families and the community. The district will create with input from parents and family members, several presentations on Creating a Welcoming Environment and Improving Communication with Families that will be available to schools for training purposes.

To ensure that information related to district, school and parent programs is available to all parents, each Title I school will send home in August a Title I Parent and Family Engagement Guidebook, which provides information related to meetings and other activities in an understandable and uniform format. FEFs and appropriate school staff will be trained on parent notifications and resources to be sent home in parents' native language, where applicable. Interpreters will be available for parent events and meetings. In addition, the district and schools will distribute information about school policies, programs, and activities on the district/school websites, through flyers, newsletters, emails, social media, and the district's Remind messaging system.

PARENT AND FAMILY ENGAGEMENT EVALUATION

Parents are provided opportunity to participate, as equal partners, in the decisions that affect children and families. The BCSD will conduct an evaluation of the content and effectiveness of this parent and family engagement plan and the family engagement activities to improve the academic quality of the Title I schools through an annual parent survey and the State of the District and school FACE Forums.

Beginning in November, each Title I school will send home a survey for parents to provide valuable feedback regarding the family engagement activities and programs. The survey will also be posted on the district and school websites for parents to complete.

In addition to the annual survey, each Title I school will also use the school FACE Forums to facilitate group discussions to obtain input from parents of children eligible to receive Title I services and to design strategies for more effective family engagement.

The district and schools will use the findings from the forums and the survey results to implement processes for effective family engagement, to remove possible barriers to parent participation, and to revise parent and family engagement plans.

ACCESSIBILITY FOR ALL

In carrying out the parent and family engagement requirements established by Section 1116 of ESSA, the district family engagement team will communicate and collaborate with the Offices of Student Affairs and Teaching and Learning. To ensure full opportunities for participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, the district will provide information and school reports in a language parents can understand to the extent possible.

ADOPTION AND DISTRIBUTION OF PLAN

This district parent and family engagement plan has been developed jointly and agreed upon with parents and family members of children participating in Title I, Part A programs as evidenced by the collaboration of parents, schools, and district personnel at the annual State of the District Forums. This plan was adopted by the Bibb County School District on March 24, 2023, and will be in effect for the 2023-2024 academic school year. The school district will distribute this plan in multiple ways to all parents of participating Title I, Part A children on or before September 8, 2023.

C. Complaints Originating at the Local Level

As part of its Assurances within ESEA program grant applications and pursuant to Section 9306 of ESEA, an LEA accepting federal funds must have local written procedures for the receipt and resolution of complaints alleging violations of law in the administration of covered programs. Therefore, a complaint should not be filed with the Georgia Department of Education until every effort has been made to resolve through local written complaint procedures. If the complainant has tried to file a complaint with Bibb County School District to no avail, the complainant must provide the Georgia Department of Education written proof of their attempt to resolve the issue with Bibb County School District.

D. Filing a Complaint

A complaint must be made in writing and signed by the complainant. The complaint must allege a violation that occurred not more than one (1) year prior to the date the complaint is received, unless a longer period is reasonable because the violation is considered systemic or ongoing. The complaint must include the following:

1. A statement that Bibb County School District has violated a requirement of a Federal statute or regulation that applies to an applicable program;
2. The date on which the violation occurred;
3. The facts on which the statement is based and the specific requirement allegedly violated (include citation to the Federal statute or regulation);
4. A list of the names and telephone numbers of individuals who can provide additional information;
5. Whether a complaint has been filed with any other government agency, and if so, which agency;
6. Copies of all applicable documents supporting the complainant’s position; and the address of the complainant.

The complaint must be addressed to:

Bibb County School District
The Office of Superintendent
484 Mulberry Street
Macon, GA 31201

Once the complaint is received by Bibb County School District, it will be copied and forwarded to the appropriate Federal Program Director/Coordinator.

E. Investigation of Complaint

Within ten (10) days of receipt of the complaint, Bibb County School District will issue a Letter of Acknowledgement to the complainant that contains the following information:

1. The date BCSD received the complaint;
2. How the complainant may provide additional information;
3. A statement of the ways in which BCSD may investigate or address the complaint; and
4. Any other pertinent information.

If additional information or an investigation is necessary, BCSD will have sixty (60) days from receipt of the information to complete the investigation and issue a Letter of Findings. If the Letter of Findings indicates that a violation has been found, a timeline for corrective action will be included. The sixty (60) day timeline may be extended if exceptional circumstances occur. The Letter of Findings will be sent directly to the complainant, as well as the other parties involved.

F. Right of Appeal

If an individual, organization, or agency is aggrieved by the final decision of Bibb County School District, that individual, organization, or agency has the right to request review of the decision by the Georgia Department of Education.

For complaints filed pursuant to Section 9503 (20 U.S.C. 7883, complaint process for participation of private school children), a complainant may appeal to the Georgia Department of Education no later than thirty (30) days from the date on which the complainant receives the Letter of Findings. The appeal must be accompanied by a copy of the Bibb County School District's decision and include a complete statement of the reasons supporting the appeal.

G. Equitable Services (Private Schools Only)

Formal complaint procedures regarding a school district's or a 21st CCLC program's equitable services for children attending private school are found on the State Ombudsman webpage.
